

TAG go ice skating!

This week TAG went iceskating which was great fun and enjoyed by all. TAG is a church based young peoples group open to anyone in the parish in school years 7, 8, and 9. We do a range of activities inside and out, and have occasional thought-provoking sessions on issues that concern young people today. Over the next few weeks we are making Christmas cakes to raise money to help young people in Moldova. For more details, or if you'd like to join, contact Jill Rowe 07811 165351.

GUIDING IS 100 YEARS OLD!

To start our 100 year celebrations we at Marcham guides have been looking at guiding history. We invited women who had been in guiding in the 1930s - 80s to find out how things had changed and what they enjoyed about guiding.

We borrowed old uniforms and had a fashion show, to see how it had changed over the years. We thought that some of the old style uniforms were much smarter, but not so practical as ours. We hope to do lots more activities and to help us to celebrate our centenary, and we are looking forward to the County International camp next summer. We would like to take this opportunity to thank John, Gill and James Waterhouse for their very generous donation in memory of Sarah. We have used some of it to buy kneckers for the unit. Sarah always looked very smart and was very proud of her uniform. We have also purchased a large tent for use as a large shelter at camp, and we are very happy to lend it out to villagers for functions, for a donation. (see cover for photo of the Guides in their new neck gear)
