Snowdrops at Frilford

## Dear Readers

Days are getting longer and I have been out and about looking for signs of spring – I found these when I was trying out the new footpaths. Even though there will be cold and wet times ahead, these make me think of the sun to come. I might even get out into the front garden to make it look a bit more presentable for the Garden Competition which will be in April this year – see the Parish Council News. Or perhaps I will look up the WI recipe for marmelade now the Seville oranges have arrived in the shops – I can do that sitting down!

MADNews has been a bit short on letters recently so why not put pen to paper or fingers to keyboard and tell everyone about something you love, loathe or just want to share. If you have any ideas about things you would like to read about in MADNews either let me know or write it yourself and then send it to me to print!
