Dear Readers

Thank you all for your good wishes and compliments on my first issue – the most interesting one was “it looks the same as the last one”! I can’t guarantee that I won’t have a little change here and there but I hope that MADNews will continue its job of sharing news and items of interest among the five villages.

The Jubilee Walks will certainly help in connecting Gozzards Ford and Marcham by way of the path to the Black Horse (which we have already sampled!). Each copy of MADNews this month comes with a guide on the last page, (thanks to Sheila and Eric Dunford) just in case we need to walk off any excesses that may have occurred over Christmas!

My congratulations to all those who helped make The Institute’s 100th birthday celebration such a success – quite amazing to think of all the meetings, parties, plays, lunches, games and other events those walls have witnessed over the years.

I hope that this new year will bring you all happiness, and I look forward to having fun editing MADNews in 2004.
