Marcham Parishioner of the Year – Martin Thorne

Dear Readers

This is the summer issue of MADNews and the next one will be in September. I have included an extended item on the Annual Parish Meeting which I hope has something of interest for everyone.

There is also some advice from Stuart about how to make the best of our garden budgets, and a report from the school about how they care for their plants. *In Profile* this month is Part 1 of a "double life" story which will continue in September.

To see all the pictures in glorious technicolour, go to the website

www.madnews.co.uk.

It is updated each time a new issue is published and, as we can have access to the internet via Broadband from 11 August, it shouldn't take too long to download.

Enjoy the summer!
