Summer can mean work as usual, or buckets and spades, or long walks and lazy nights, or hoping that the weather will really brighten up before you go home. Some of our regular village activities take a break but there are some special events coming up for all ages. Whatever you find yourself doing enjoy God's goodness and remind yourself each day that he loves you and cares for you in every circumstance.

Open Air Barbeque Lunch

On the theme of *creation*, Sunday 17 July from 11am at Manor Farm—note the starting time - bring your picnic—go for a swim—under cover if wet.

Our All Age Worship events this year have been outstanding and are for everyone, not just children and parents so try this summer special as the school holidays begin.

Summer Alpha Wednesdays at 12 30pm

A real change during the summer break, starting on Wednesday 20 July at 1 All Saints Close with lunch of soup and rolls followed by the Alpha talk and discussion.

Summer Alpha will continue for eight Wednesdays until 7 September; if you cannot make it every week please come when you can. Summer Alpha is for everyone—especially for those who find evenings difficult.
