Dear Readers

This month we have several things to celebrate – St David's Day on the 1st of March, St Patrick's Day on 17th March; lambs, duckies and chicks, *and* a new occasional column in MADNews! *In Profile* will give people a chance to write about themselves, for the first column I invited a newcomer to the district to talk about her occupation. I hope you find it interesting – I certainly did.

The days are definitely getting longer again and even though it is cold, the bright sight of the daffodils is really cheering me up. Time to start thinking about the garden again and I may even try Stuart's tip for keeping the pests as bay this year. I wonder if a dab behind the ears will work for mosquitoes...?!
