

MARCHAM CRICKET CLUB

There was a good attendance at the first Nets on 4th February. A bowling machine supplied by one member proved that it could produce some challenging deliveries. At the AGM held on 9th February many matters relating to the Club were considered and useful discussions took place. The Club's heavy roller has now been repaired.

In this connection the Club thanks those involved in the provision of workshop facilities, transport, and welding skills. In particular great thanks go to the Engineer responsible for the considerable amount of work done in effecting repairs which, very importantly, included the design and installation of modifications to improve the roller's transmission system.

Finally, readers are kindly reminded to contact Terry Whittaker (39131 7) or Graham Hill (391415) for details of Nets, playing for the Club, or umpiring on behalf of the Club.

MARCHAM GARDENING CLUB

Our first meeting held on February 4th was informal, though sadly some couldn't come who had expressed interest. We discussed certain things we might do, such as visiting worthwhile places, going to other garden club talks, swapping plants and things. We are considering taking on an allotment to grow food outside our gardens. We are open to new people and ideas and the more people, the more is possible. A questionnaire is available for anyone to share interests and practical details. Our next open meeting will be on Monday 14th March from 7.30 – 9pm in Marcham Baptist Hall. WOULD YOU LIKE TO PLAY WHIST?

Then why not come to the Abingdon Hospital League of Friends whist drive on the first Friday of each month, starting at 7 pm in the Day Hospital. Friendly company, good prizes and refreshments provided. All profits go to the hospital, so you can enjoy yourself and support a very good cause at the same time.
