**THE OXFORDSHIRE BEFRIENDING NETWORK
Volunteers supporting people with life-threatening
and terminal illness**

Would you like to make a difference in 2009?

Being diagnosed with a serious illness can be one of the most overwhelming experiences anyone can face, as it involves not only coping with the symptoms of the illness, but a huge adjustment in lifestyle and often social isolation.

Having a regular visitor, someone outside the immediate family, who will listen, can offer emotional support and be willing to accompany the ill person on their 'journey' can be invaluable.

We are currently looking for new befriending volunteers and we offer free training, expenses and on-going support.

Our next Befriending trainings start in Oxford in May/June and October 2009.

If you can offer 2-3 hours a week to befriend someone living in your area, are warm, compassionate and emotionally mature please contact us on 01865 791781 or email: enquiries@oxonbefriending.net for a Befriending information pack and application form.

We also run an Advocacy service and will be running training for Volunteer Advocates in April. For Advocacy enquiries, please ask for Jan Penrose or email: jan.penrose@oxonbefriending.net
