Change

Credit Crunch WOW!

Recession (official), loss of jobs, financial uncertainty affects most of us.

The recent weather, the worst winter in nearly 20 years, affects all of us.

All changes we have to deal with. Christians have the answer. Jesus says in St. Luke chapter 18, verse 1 (NIV):

“We should always pray, and not give up”.

Have you committed your life to the One whose love never changes?
