## Dear Readers

A serious subject this month: there are two letters regarding the same event on page three, as they came in independently of each other I decided to include both; on the opposite page is a short article about a new organisation aiming to help young people at risk. People living near the Sports and Social club have received a letter regarding the break-in there on 19 April and I had a distressing report of 2 dogs kidnapped from Mill Road at the beginning of April. One of the dogs was recovered injured in Basingstoke. The warmer weather means more open doors and windows, so please be careful and don't take risks.

The Annual Meeting for Electors on 26 May at the Institute will be an interesting evening and is our chance to discuss anything with the local councillors.

Hope to see you there.
