MARCHAM PRE-SCHOOL NEWS

Pre-school are pleased to be back and the children have settling in well, including our many new starters!

The children at 'big school' and Pre-school are happy to mix and play together box inside and out and is a great benefit of being part of the Foundation Stage Partnership with Marcham School.

We are enjoying a range of activities, from tending the garden, painting, Sticky Kids dancing and singing, celebrating Kipper's Birthday (by Mick Inkpen!) with impromptu parties, games, decorations, and cake - unfortunately pretend... (see photo on cover).

We are operating a waiting list for September 2010 and take children from their 2nd birthday. There is no minimum age for registering your child so please do contact us if you have a child approaching Pre-school age. We can be contact on 07749 245313 or marcham-preschool@hotmail.co.uk

MARCHAM MUMS TODDLERS AND BABIES

Marcham Toddlers enjoyed a morning at Abbey Meadows on Tues 18 Sept where a lot of fun was had by all. The sprinklers were on, the children played in the park and juice, biscuits and stories were enjoyed on picnic rugs. (see picture on cover)

THE BIG ONE

We all had a fantastic time at The Big One during the last week in August. Over 70 children attended and highlights included our boat made by Adie Kingsbury, our working lighthouse, very many visitors coming to share their skills with us, having a really good group of leaders, the BBQ on the last night and one of the tents bolwing away in a freak wind!! Many, many thanks to everyone who helped in any way - far too many to mention here, but you know who you are. I wonder what we'll be up to next year??

Ready Steady Cook

On Monday the 29th of June, Guides had a cooking completion that was organised by myself, Jenny Fathers, Becca Rowe and Zoe Walton as part of our Baden Powell Challenge. The guides had to make a 2 course dinner, after making the fire themselves, and then we marked them, out of ten, on teamwork, organisation and presentation.

It was really fun, especially cooking the food and I enjoyed eating it afterwards. It was a great introduction to Guides, as it was my first meeting.

Alicia Davies

It was a full, fun and eventful evening and we all got something out of it.

Baden Powell Awards

Our congratulations to Emily Maw, Natalie Kingsley, Kathleen Macnee and Lauren Carrick on receiving your Baden Powell Awards.

It is a brilliant acheivement - Well done!

We had a firelit ceremony, chosen and organised by the 4 girls, on Saturday 12th September. There was wellie wanging and a tug of war followed by soup, campfire singing and then the presentation. We rounded off the evening with sparklers, hot chocolate and a delicious cake.

Some comments from some of the guides who came :

"We enjoyed Saturday because it was good to get together again after the holidays"

"It has motivated us to do the Baden Powell Challenge"

"We enjoyed the whole evening, especially the cake!"

Can you help us?

We are looking for another leader to join our lively and active unit. Do you remember being a guide? Could you give up an evening a week, plus other times to do volunteering which is very satisfying, sometimes quite challenging but overall a privelage. No previous experience required, learn on the job!

Please contact Jill Rowe 07811 165351 for more details.

Thank you
