

MSSSC: Marcham Sports, Scouts & Social Club

The pavilion & field off Morland Road

Thanks to all those who came along to our Summer Dance. What a fantastic night. We have received nothing but positive feedback in respect to the evening and thanks to your support we generated some valuable income for the MSSSC. A significant number of people gave up their free time to make sure it was a success, you know who you are. A very big THANK YOU.

Special thanks to **SHAMELESS**, a terrific local band who provided their services at very modest rates! The very least we can do therefore is promote them so if you are interested in a booking please contact Ross (lead guitar) on 07789 521431 or Marcus (bass guitar) on 07946 201400, or email shameless@arraycc.co.uk

A number of local businesses also supported our efforts. They included: **Hobs Reprographics** who kindly sponsored the posters and tickets. Based in Milton Park they can be contacted on 01235 833044, or see www.hobsrepro.com. **Base Scaffolding** provided the staging at very short notice; Bertie we do owe you a drink!. Also **Michael Jacques, master blacksmith** who kindly loaned the marquee, see his fine work at www.mejj.co.uk

The Summer Dance was adults only, so to reset the balance we are holding a Family Disco on Sat 20th September, starting at 7.30pm. Its free and everyone is welcome but children must be accompanied. SCHOOL PLAY

In July, Marcham School put on the play 'Goldilocks and the Three Bears'. The story wasn't like the usual one, Goldie went to court! Everyone enjoyed the songs and everyone enjoyed the acting.

Lauryn Turnbull

We had the best time, we all laughed at the good acting. We thought this was the funniest play we had ever done. Everyone loved the songs, especially the little ones.

Rachael Butt and Hannah French

The acting was great: the singing was great. It was the best play ever!!!!

Jack Bateman

The School Service reflected the talent in Yr 6. They chose the songs, acted, sang and gave us memories of their time in Marcham School. Well done. You are a credit to the school and to the village.

The Angels Brush

It's just great these summer evenings,
To step outside your door.
See the cloud formations,
And watch the sun go down once more.

To watch the ever changing pattern,
Of the slowly drifting cloud.
It certainly makes you feel at peace,
And perhaps in someway proud.

It's though an Angel artist,
Was suspended in mid-air.
And used a giant paint brush,
To paint that picture there.

Let's hope that tomorrow,
Another canvas will be waiting.
For our Angel artist to return,
And carry out more painting.
